let's escape to Monterey

retreat was lit (and wet)

Over 80 people spent last weekend at our **member's retreat**. We ate quesadillas at midnight, walked in the sand, and took SO many photos.

Thank you to all our **drivers**, who enjoyed a guaranteed bed, our eternal gratitude and no retreat fee! \$\$\$

The party don't start 'til the presidents toast...		... and it don't stop til everyone's passed out.		If anything will wake you up, it's bacon.	Food, ocean, sun, sand, and bonding!	InnoD vs. Rock: we're just glad no one fell.	It's a feast: hot dogs and (gasp!) vegetables.	Time to go — thanks fo cleaning up!

you teach me + I'll teach you

a weekend of workshops

On Feb. 25-26, InnoD hosted our fourth **HEX: Hone and Explore**, a series of free creative workshops open to the Berkeley community.

Special, huge THANK YOU to all our wonderful workshop **facilitators!** (A special surprise is waiting for you.)
